Subject: **Answers to the Questions asked by different Offerors for “Waste Collection & Recycling Services at U.S. Embassy Islamabad, Pakistan”.**

Q.1. Can you arrange a site visit to assess quantity of waste, manpower and equipment required to perform services?

Ans: We can not allow site visit because of COVID-19 restrictions. However, the information given in response to Question#2 will help you to address your concern/question.

Q. 2. What is the average volume/weight of waste collection on daily basis.?

Ans:

- General trash- Office trash, kitchen trash etc. Approximate 1000 Kg/day
- Garden waste. Approximate 1500Kg/Day
- Approximate trash volume/weight= 2500 Kg/day
