Subject: **Answers to the Questions asked by different Offerors for Expansion of Irrigation system at U.S. Embassy during and after pre-bid site walk held on July 25, 2022.**

Q1) Provide landscape or irrigation drawings of existing areas (all 4 sites) in the AutoCAD version.

We cannot share embassy compound drawings to external contacts. It can be shown during site visit.

Q2) Provide Google maps or GPS coordinates of mentioned areas.

We do not have such information to be share with vendors.

Q3) After the irrigation system installation, Reinstatement of damaged landscape area is in our scope?

The vendor will be responsible to repair any damaged area to its original condition after completion of work.
