3. DESCRIPTION
The Public Affairs Section of the U.S. Embassy in Islamabad needs financial investigative services (referred to as an Audit) by audit firms (referred to as the Contractor) throughout Pakistan to verify expenditures in expense ledgers of its grant awards (referred to as the Project) provided to grantees (referred to as Implementer). The contract will be for a base year period of performance plus an option of one-year. The Audit shall be conducted against the Statement of Work (SOW) provided below.

A) The Goal
The goal is to ensure that funding provided to our implementing partners (referred to as the Implementer) is expended within the scope of agreed objectives and in accordance with the Award Provisions and U.S. Standard Terms and Condition listed in the award (referred to as Agreement) and to identify and report on the usage of funds - appropriate, unauthorized, or otherwise.

B) The Objectives
The objective of these investigative audits (referred to as Audit) will be to:
- review the expenditures of the Implementer as intended in the relevant documents, among others: (1) the posted Notice of Funding Opportunity as per grants.gov, (2) the Implementer’s award application package, and (3) approved budget; and (4) the agreement between PAS and the Implementer, plus subsequent updates to the agreement, if any.
- ensure expenditures are supported documentarily, that they contribute and/or achieve the objective(s) as laid out in the terms of the agreement, and that they follow the written internal controls and policies of their own organizations.
- evaluate the effectiveness of the Implementer’s internal control systems
- identify material misstatements, unauthorized charges, conflict of interests, nepotism, or any other business irregularities, if any.
- determine whether the project costs incurred, paid, and charged to the Project are allowable, allocable, reasonable, and necessary in accordance with the terms of the Agreement.
- Provide confidential reporting on the findings of the Audit with line-item expenditures to the PAS Management Officer to identify any undisclosed related party transactions and their impact on the award.

C) About PAS Federal Assistance Awards
PAS manages grants and federal assistance awards of varying amounts throughout Pakistan and envisions the contract for the Audit on any one grant (referred to as the Project) to be conducted once a year or as requested during the grant award validity period of performance.

PAS anticipates Audits to be conducted on 60 percent to 70 percent of its Projects numbering between 60 to 70 audits per year. On average, the total award value of each Project award may be between Pakistani Rupee (PKR) 5 million to PKR1,800,000,000, (amounts subject to the
prevailing exchange rate) with each Project validity period ranging from less than one year to multiple years. Most award payments are made in installments to the Implementer. It is important to note that the Audit may be conducted on expenditures from one installment amount or from more than one installment. Each Project differs in objectives, implementation, target audience, timeline, and Project award amount, among other criteria.

The Contractor shall coordinate closely with the PAS management team on the Audit objective, schedule, process, report deadlines, and timelines.

D) How and where will the audit take place?

The scope of work requires the Contractor to work with an assigned PAS contact (referred to as PAS GOR) for each Audit. The PAS GOR shall set up the initial introduction with all stakeholders – PAS contacts, the Implementer, the Contractor - through a virtual conference call. The Contractor shall gather information and materials from both PAS and the Implementer through electronic communications. Within an established timeline, the Contractor should be able to assess all the relevant documents including received ledgers of expenditure and supporting documentation from the Implementer against the requirements of the Agreement and assess the audit requirements to complete the audit. As necessary, PAS anticipates a minimum of a one-day in-person visit and a maximum of a two-day in-person visit to the Implementer’s place of business to verify the Implementer’s original expenditure documents. This may entail a visit to more than one location within Pakistan. All actions must be coordinated with and approved by the PAS American officer. The PAS GOR may be involved in some or all of these in-person visits.

All forms of communications between the Contractor and Implementer shall be copied to PAS. All in-person visits to the Implementer’s place of business shall be approved in writing by a PAS American officer.

The Contractor should state its availability or limitations to work in certain areas/regions/provinces within Pakistan.

E) Is there a timeline and what are the required procedures to begin an audit?

These are suggested timelines from official placement of an Audit order to presentation of Audit findings within a three-month period. It is incumbent upon the Contractor to propose a workable period based on locality, distance, and facilitated contact with involved parties and to build other considerations into the timeline. PAS emphasizes that efficiency is a factor for consideration, however, the importance is on the effectiveness of the Audit and ultimately, its complete reporting of its audit - electronic and/or in-person. The suggested timelines are as follows:

- Within 15 workdays (Mondays to Fridays) of a contract, PAS will initiate and obtain approval for an internal purchase request for Audit service. This timeline is subject to U.S. Government process in the event of situations that are beyond its control including its fiscal year-end process i.e., September 30, after which no financial transactions shall be approved until funds are confirmed available in the new fiscal year.

Upon the receipt of a fixed price order placed by PAS, the Contractor shall:

- Within ten workdays, PAS shall electronically send all relevant documents; the official grant funding notice, the Implementer’s application package to include its proposal, organizational profile, program budget, assigned staff, signed grant agreement and any subsequent terms agreed to in writing, if any, and the expenditure report submitted by the implementor on monthly/quarterly/annual basis.
- Within three to five workdays, after review, the Contractor shall provide an informal written assessment and recommendations on next steps to PAS.
- Within three workdays, PAS POC and Contractor shall consult with each other, and PAS shall provide written consent to proceed.
- Within three to five workdays, the Contractor shall have made arrangement to visit the Implementer’s place of business if it is located within the same city. If the business is in another province beyond the Contractor’s location, PAS, Contractor, and Implementer shall agree on a date for an in-person visit.
- Within ten workdays (Mondays to Fridays) after the visit, the Contractor shall provide a brief assessment of the visit to the Implementer’s location.
- Within fifteen (15) workdays (Mondays to Fridays), the Contractor shall provide a written assessment of a line-item expenditure finding to PAS. The report shall be clear and concise with minimal technical terms, and a Conclusion and Recommendation.

F) When can the audit begin?
Upon receipt of notice to proceed (NTP).

G) What is the required final audit product?
Throughout the audit, the Contractor shall coordinate with assigned PAS POC. The Contractor shall conduct due audit diligence and produce a final report that is conclusive and includes all aspects of the audit endeavor at the end of the three-month audit period, organized as follows to include the following headings but not limited to:

1. COVER PAGE – includes Contractor and all staff that conducted the audit, date range of the audit.

(End of clause)

Add the following clause in full text:

52.229-12 TAX ON CERTAIN FOREIGN PROCUREMENTS—NOTICE AND REPRESENTATION (FEB 2021)

(a) Definitions. As used in this clause—

Foreign person means any person other than a United States person.

United States person, as defined in 26 U.S.C. 7701(a)(30), means—

(1) A citizen or resident of the United States;

(2) A domestic partnership;

(3) A domestic corporation;

(4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 7701(a)(31)); and

(5) Any trust if-

(i) A court within the United States is able to exercise primary supervision over the administration of the trust; and

(ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) This clause applies only to foreign persons. It implements 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c)
(1) If the Contractor is a foreign person and has only a partial or no exemption to the withholding, the Contractor shall include the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, with each voucher or invoice submitted under this contract throughout the period in which this status is applicable. The excise tax withholding is applied at the payment level, not at the contract level. The Contractor should revise each IRS Form W-14 submission to reflect the exemption (if any) that applies to that particular invoice, such as a different exemption applying. In the absence of a completed IRS Form W-14 accompanying a payment request, the default withholding percentage is 2 percent for the section 5000C withholding for that payment request. Information about IRS Form W-14 and its separate instructions is available via the internet at www.irs.gov/w14.

(2) If the Contractor is a foreign person and has indicated in its offer in the provision 52.229-11, Tax on Certain Foreign Procurements—Notice and Representation, that it is fully exempt from the withholding, and certified the full exemption on the IRS Form W-14, and if that full exemption no longer applies due to a change in circumstances during the performance of the contract that causes the Contractor to become subject to the withholding for the 2 percent excise tax then the Contractor shall—

(i) Notify the Contracting Officer within 30 days of a change in circumstances that causes the Contractor to be subject to the excise tax withholding under 26 U.S.C. 5000C; and

(ii) Comply with paragraph (c)(1) of this clause.

(d) The Government will withhold a full 2 percent of each payment unless the Contractor claims an exemption. If the Contractor enters a ratio in Line 12 of the IRS Form W-14, the result of Line 11 divided by Line 10, the Government will withhold from each payment an amount equal to 2 percent multiplied by the contract ratio. If the Contractor marks box 9 of the IRS Form W-14 (rather than completes Lines 10 through 12), the Contractor must identify and enter the specific exempt and nonexempt amounts in Line 15 of the IRS Form W-14; the Government will then withhold 2 percent only from the nonexempt amount. See the IRS Form W-14 and its instructions.

(e) Exemptions from the withholding under this clause are described at 26 CFR 1.5000C-1(d)(5) through (7). Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue.

(f) Taxes imposed under 26 U.S.C. 5000C may not be—

(1) Included in the contract price; nor

(2) Reimbursed.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may
publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to https://www.irs.gov/help/tax-law-questions.

(End of clause)

contract purposes can be made. No legal liability on the part of the Government for any payment may arise for performance under this contract beyond September 30 of the current calendar year, until funds are made available to the Contracting Officer for performance and until the Contractor receives notice of availability, to be confirmed in writing by the Contracting Officer.

For line items covered by the WTO GPA, the Government will evaluate offers of U.S.-made or designated country end products without regard to the restrictions of the Buy American statute. The Government will consider for award only offers of U.S.-made or designated country end products unless the Contracting Officer determines that

(h) Certification Regarding Responsibility Matters (Executive Order 12689). (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

1. □ Are, □ are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

2. □ Have, □ have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

3. □ Are, □ are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

4. □ Have, □ have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds the threshold at 9.104-5(a)(2) for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

  (A) The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

  (B) The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

  (A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

  (B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal
to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).

(i) Certification Regarding Knowledge of Child Labor for Listed End Products (Executive Order 13126). [The Contracting Officer must list in paragraph (i)(1) any end products being acquired under this solicitation that are included in the List of Products Requiring Contractor Certification as to Forced or Indentured Child Labor, unless excluded at 22.1503(b).]

contract period if the contract period is less than a month) servicing the Government contract; and

(iv) The compensation (wage and fringe benefits) plan for all service employees performing work under the contract is the same as that used for these employees and equivalent employees servicing commercial customers.

(3) If paragraph (k)(1) or (k)(2) of this clause applies—

(i) If the offeror does not certify to the conditions in paragraph (k)(1) or (k)(2) and the Contracting Officer did not attach a Service Contract Labor Standards wage determination to the solicitation, the offeror shall notify the Contracting Officer as soon as possible; and

(ii) The Contracting Officer may not make an award to the offeror if the offeror fails to execute the certification in paragraph (k)(1) or (k)(2) of this clause or to contact the Contracting Officer as required in paragraph (k)(3)(i) of this clause.

(End of Provision)
(a) **Definitions.** As used in this provision—

*Foreign person* means any person other than a United States person.

*Specified Federal procurement payment* means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area.

*United States person* as defined in 26 U.S.C. 7701(a)(30) means—

(1) A citizen or resident of the United States;

(2) A domestic partnership;

(3) A domestic corporation;

(4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 701(a)(31)); and

(5) Any trust if—

(ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror would claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available via the internet at [www.irs.gov/w14](http://www.irs.gov/w14). Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that—

(1) It [___] is [____] is not a foreign person; and

(2) If the Offeror indicates “is” in paragraph (d)(1) of this provision, then the Offeror represents that—I am claiming on the IRS Form W-14 [____] a full exemption, or [____] partial or no exemption [Offeror shall select one] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then—
(1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and

(2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects “is” in paragraph (d)(1) and “partial or no exemption” in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to https://www.irs.gov/help/tax-law-questions.
