Attorneys list for Pakistan

The U.S. Government assumes no responsibility or liability for the professional ability or reputation of, or the quality of the services provided by, the following persons or firms. Inclusion on this list is in no way an endorsement by the Department of State or the U.S. Consulate. Names are listed alphabetically, and the order in which they appear has no other significance. The information in the list on professional credentials, areas of expertise and language ability are provided directly by the lawyers. You may receive additional information about the individuals by contacting the local bar association or the local licensing authority.

American consular officers are prohibited by regulations from serving legal process emanating from any court, whether in the United States or abroad, and are prohibited from appointing others to do so, except in certain cases in the United States Federal courts involving service of process on United States citizens abroad (28USC 1783 and 1784).
